The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am writing to respectfully request funding for the **City of Cedar Hill Loop 9 Project** for Fiscal Year 2025. The entity to receive funding for this project is the **City of Cedar Hill, TX** and the project will be located between **US 67 and East of Tar Road/Dallas County Line**. The funding would be used for the acquisition of rights of way for the city and region's development of the Loop 9 Texas Highway. The larger project is currently listed as pending under the Texas Department of Transportation's STIP, (STIP No. 2964-12-006). This is an appropriate use of tax payer dollars because it will assist in the development of the new Loop 9 Highway in North Texas. This, in turn, will provide significant economic benefits for the larger Dallas/Fort Worth region and country at large due to the increased flow of commerce through the transportation corridor of Texas. The City of Cedar Hill Loop 9 Project will also connect families, communities, educational and health care institutions, and many thousands of businesses and job to the region, spurring both social and economic development.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. § 133(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
