The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Multi-Use Mapping Computers for the City of Dallas Police Department's Helicopter Unit** for Fiscal Year 2025. The entity seeking to receive funding for this project is the **City of Dallas Police Department** located at 1500 Marilla Street, Dallas, TX 75201.

The funding would be used for the acquisition and installation of multi-use mapping computers for police helicopters that provide an informational overlay on the camera viewing screen. The project is an appropriate use of taxpayer dollars as funding will help improve the efficiency and effectiveness of the Dallas Police Department Helicopter Unit, by allowing them to more effectively respond to crimes, monitor large scale events, and manage natural disasters and other similar types of events and incidents.

This project has a Federal nexus because the funding provided is for purposes authorized under section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
