The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am writing to request community project funding for **City of Dallas Santos Rodriguez Recreation Center Project** in Fiscal Year 2025. The entity to receive funding for this project is the **City of Dallas**, and the project will be located at **2807 Harry Hines Boulevard (Pike Park), Dallas, TX 75201**. The funding would be used to fully renovate the community center run by the City of Dallas which has been in desperate need of capital investment for many years due to crumbling infrastructure. The project is an appropriate use of taxpayer funds as the project promotes community well-being, supports youth development, fosters social cohesion, and generates economic benefits for the neighborhood in which the community center is in as well as the city as a whole.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
