The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am writing to request funding for **City of Grand Prairie Waterford Lift Station Project** for Fiscal Year 2025. The entity to receive funding for this project is the **City of Grand Prairie, TX**, and the project location is located at **5949 Waterford Drive, Grand Prairie, Texas, 75052**. The funding would be used to construct a new facility for the Waterford Lift Station as the current facility is beyond repair and completely dilapidated. The project is an appropriate use of taxpayer funds as the lift station has a major impact on infrastructure and economic development across the City of Grand Prairie. Today, Grand Prairie has developed into a very high growth area, and the Waterford Lift Station is critical to serve the residents and businesses by ensuring the presence of safe and reliable water.

The project has a Federal nexus because the funding provided is for purposes authorized under Title VI of the Clean Water Act, 33 U.S.C § 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
