Dear Chairman Cole and Ranking Member DeLauro:

I am writing to request community project funding for **The City of Lancaster Roy Crawford Park Walking Trail Project** in Fiscal Year 2025. The entity that would receive funding for this project is the **City of Lancaster**, and the project location is **2415 Sunny Meadow Drive, Lancaster, TX 75146**.

This project request seeks funding to construct a walking trail at Roy Crawford Park in Lancaster, TX situated within a ten-acre agricultural area, promises significant enhancements to community well-being and local economic vitality, including but not limited to a vibrant recreational hub, encouraging activities such as walking and jogging, and community green spaces. This project is an important use of taxpayer dollars as it will provide will have positive and substantive economic impact for the people of Texas's 30th Congressional District. Specifically, by creating pedestrian resource opportunities for outdoor recreation and every-day use, the government will not only reduce public health-related expenditures, but it will also increase visitation to local establishments and services, thereby stimulating the economy and promoting economic growth.

The project has a Federal nexus because the funding is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
