Dear Chairman Cole and Ranking Member DeLauro:

I am writing to request community project funding for the **Ledbetter Light Rail Station Facility Modernization Project** in Fiscal Year 2026. The entity to receive funding for this project is the **Dallas Area Rapid Transit**, and the project will be located at **2006 East Ledbetter Drive, Dallas, TX 75216**. The funding would be used to includes enhanced communication and wayfinding systems to help riders easily navigate the DART system, as well as renovations to restrooms and public seating areas to ensure a clean and comfortable environment. Additionally, the station will undergo infrastructure upgrades, including new tile, paint, lighting, and a modernized HVAC system to enhance safety and aesthetics. The project is an appropriate use of taxpayer funds as the project because it addresses the evolving needs of the diverse community it serves, improving connectivity, safety, and overall quality of life for both transit riders and local residents.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
