Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Dallas – Deep Ellum Safety Infrastructure Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Dallas, TX**, located at **1500 Marilla Street, Dallas, TX 75201**. The funding would be used for purchase and install safety bollards in the Deep Ellum entertainment district. The project will enhance pedestrian safety, allow efficient street closures during evenings and weekends, and reduce the need for continuous police staffing. The project is an appropriate use of taxpayer funds because this project will bring durable infrastructure that improves safety while reducing ongoing operational and staffing costs. Additionally, it addresses major safety concerns that hinders the economic mobility of the corridor.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
