Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Dallas – Citywide Freight Mobility Plan** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Dallas, TX**, located at **1500 Marilla Street, Dallas, TX 75201**. The funding would be used to fund a Freight Mobility Plan will identify the specific transportation needs of freight movement throughout the City, and develop strategies for better mobility and use of transportation infrastructure including parking areas for trucks. The overall goal is to minimize congestion, emissions, and other adverse impacts on the Dallas neighborhoods caused by freight transport.

The project is an appropriate use of taxpayer funds because it strengthens economic productivity while reducing long-term costs associated with congestion, infrastructure damage, and safety incidents.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
