Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Dallas Area Rapid Transit (DART) J.B. Jackson Jr. Transit Center Modernization Project** in Fiscal Year 2027. The entity to receive funding for this project is the **Dallas Area Rapid Transit (DART)**, located at **1401 Pacific Avenue, Dallas, TX 75202**. The funding would be used for the used to establish renovated restrooms and seating areas, new tile, paint, and lighting to improve safety and appearance, and updated heating and cooling systems for year-round comfort. The project will also reconfigure concierge spaces to increase staff safety and add improved communication tools to help riders more easily navigate the system. The project is an appropriate use of taxpayer funds because the project will elevate the customer experience and increase community mobility and connectivity for North Texas families, visitors, and employers. It will also play a key role in the region's quality of life and its economic competitiveness in attracting new businesses and residents, including the three million people expected to move to the region in the next 20 years.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Crockett".
