The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of DeSoto – Hampton Road and Belt Line Road Improvements Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of DeSoto, TX**, located at **211 E Pleasant Run Road, DeSoto, TX 75115**. The funding would be used to design and reconstruct the Hampton Road and Belt Line Road intersection, a key gateway to the Hampton Road Redevelopment Corridor. The project includes roadway reconfiguration, pedestrian safety enhancements, accessibility improvements, upgraded lighting, signage, and multimodal features to improve connectivity and mobility.

The project is an appropriate use of taxpayer funds because it leverages public infrastructure investment to drive long-term economic growth, improve public safety, and enhance mobility. Additionally, it is expected to catalyze significant private investment and contribute to an estimated \$750 million in regional economic impact.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
