Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Grand Prairie - International Corridor Streetscape and Intersection Improvements Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Grand Prairie, TX**, located at **300 W Main Street, Grand Prairie, TX 75050**. The funding would be used to support the development of transportation infrastructure along the City's International Corridor, including sidewalks, dedicated bicycle lanes, and enhanced beautification measures.

The project is an appropriate use of taxpayer funds because it improves roadway and pedestrian infrastructure, enhances safety and accessibility, and strengthens connectivity for residents and local businesses along a blighted and dilapidated roadway. These improvements will foster economic development, support thriving businesses, and promote a safer, more vibrant community.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jasmine Crockett'.
