The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **City of Lancaster – Veloweb Trail Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Lancaster, TX**, located at **211 N Henry Street, Lancaster, TX 75146**. The funding would be used to construct a 4.78-mile segment of the Southern Dallas County Veloweb Trail, a multi-use path designed to connect neighborhoods, parks, schools, and existing trail systems.

This project is an appropriate use of taxpayer funds because it provides long-term infrastructure that enhances mobility, public health, and economic opportunity. By linking Lancaster to the broader Veloweb network, the project improves regional connectivity and supports both recreational use and alternative transportation, reducing reliance on vehicles and associated costs.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
