Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **Paul Quinn College – Community Gathering Space Project** in Fiscal Year 2027. The entity to receive funding for this project is the **Paul Quinn College**, located at **3837 Simpson Stuart Road, Dallas, TX 75241**. The funding would be used to enclose the College's outdoor basketball court, creating a year-round multipurpose facility that can host community events, educational activities, and provide co-working opportunities for local businesses. The space will also serve as the hub for the College's free community farmers market, increasing access to nutritious foods in an area identified as a food desert. This project is an appropriate use of taxpayer funds because it will create a safe, accessible space for recreation, community engagement, and access to affordable, healthy food.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
