The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of DeSoto – Pleasant Run Road Widening Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of DeSoto, TX**, located at **211 E Pleasant Run Road, DeSoto, TX 75115**. The funding would be used to widen an existing roadway to four lanes with a raised median and implement key infrastructure improvements, including drainage upgrades, sidewalks, landscaping, and street lighting.

The project is an appropriate use of taxpayer funds because it improves traffic flow, enhancing public safety, and supporting economic development. Expanding roadway capacity and modernizing infrastructure will improve access for residents, businesses, and commercial activity, making the area more attractive for investment and job creation.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'J. Crockett'.
