The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Wilmer, TX Fire Station Project** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Wilmer, TX**, located at **128 N. Dallas Avenue, Wilmer, TX 75172**. The funding would support the construction of a new fire station on the west side of the city.

The project is an appropriate use of taxpayer funds because it will enable the City of Wilmer to provide critical emergency services to a rapidly growing area that includes residential development, major employers, and the Inland Port logistics hub. The new facility will improve emergency response times, enhance public safety, and support continued economic growth in the region.

The project has a federal nexus because the funding provided is for purposes authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Crockett".
