Re: Crockett-Molinaro Letter on AbilityOne

Dear Representative Crockett:

The Office of Congressional Workplace Rights (OCWR) was established to administer the Congressional Accountability Act (CAA). The CAA applies 14 workplace rights laws to covered legislative branch offices. It is our mission to advance workplace rights, safety and health, and accessibility in the legislative branch.

With the administration of the CAA as our driving force, the OCWR takes seriously its commitment to supporting and promoting equal rights and equal access for all. In line with this commitment, the OCWR purchases all of its workplace materials from a vendor with access to AbilityOne products. This is the same vendor that also sources the House Supply Store. By utilizing this merchant, the OCWR ensures that it utilizes only AbilityOne products for our office needs.

We appreciate the opportunity to work in partnership with AbilityOne and look forward to continuing to work together in the future.

Sincerely,
